## Cities to Fight for Larger Tax Revenue Share

By JOHN R. STARR

LITTLE ROCK (AP)—Arkansas municipalities are gearing for a no-compromise fight in the 1963 legislature for what they feel is their fair share of tax revenues.

The battle is a virtually certain if proposed Amendment 50 is defeated at the polls in November.

Amendment 50 would broaden the power of city dwellers to tax themselves. With it the cities could provide needed services at the local level, without it, they have nowhere to turn but to the General Assembly.

The cities' idea of what their share should be is sure to provoke fireworks in a rural-dominated legislature.

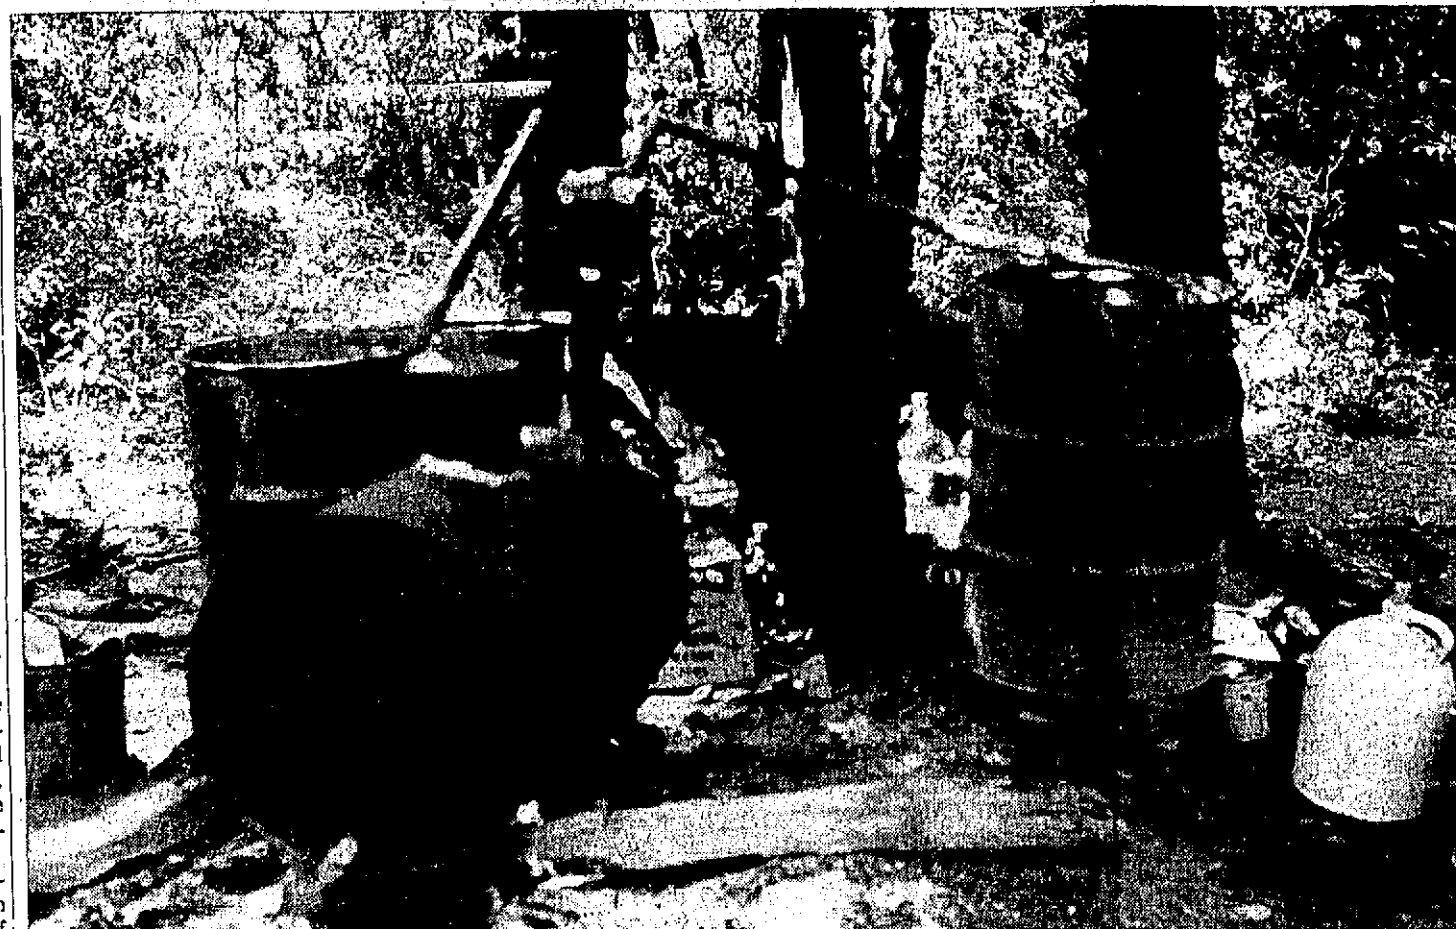

A brochure prepared by the Arkansas Municipal League demands 10 per cent of all general revenues for turnback to cities. On that basis, cities would slice up a \$10.5 million melon from estimated 1962 revenues.

By comparison, the 1961 legislature gave the cities a maximum of \$2,310,000 or 2.07 per cent of the total.

Gov. Orval E. Faubus, notified Wednesday by a Municipal League delegation of the no-compromise attitude of city officials, said he would support Amendment 50 and would "look with favor" on efforts for a larger share of turn-

## Candidate to Eliminate Tax on Tax

LITTLE ROCK (AP) — Vernon H. Whitten of Mount Holly, a gubernatorial candidate, said Saturday he would eliminate the "tax on tax" now paid by Arkansans if he is elected.

Whitten said Arkansans are now paying state income taxes on money withheld for federal income taxes. He said the elimination of this tax and the reduction of others would be among his objectives.

Whitten said "the incumbent governor" has vetoed a bill to eliminate the "tax on tax," claiming "the state—meaning the present administration and its far flung tentacles of operation—would lose too much money."

"I believe that if a savings to the taxpayers of the state can be effected without harming government processes to which they are entitled, it should be done," he said.

Tuesday, he plans to be in Murfreesboro to aid in setting up a "Women for Whitten" movement and he has reserved time Saturday for a 15-minute television appearance over Little Rock and Fort Smith stations.

## GOP Meeting Is Tuesday Night

The Hempstead County Republican Committee will meet Tuesday night, May 15, 7 p.m. at the Hope City Hall Court Room. This meeting will include discussion of plans for the Republican rally in Magnolia this weekend. Formation of a Young Republican Club and plans for the fall campaign. This meeting is open to the public and young people interested in joining the Young Republican Club are especially invited.

## Jimmie Cook, Ex-Sheriff, Dies at 54

Jimmie Cook, aged 54, sheriff of Hempstead County from 1953 to 1957, died Saturday at his home. He was a lifelong resident of Hempstead County and was a veteran of World War II and the Korean War. He was a member of the First Methodist Church and the Century Bible Class.

Survivors include his wife, Mrs. Grace Cook of Little Rock and a sister, Mrs. Norman Moore of Hope.

Services were held at 2 p.m. Sunday at First Methodist Church by the Rev. Rufus Sorrells. Burial was in Rose Hill Cemetery by Herndon-Cornelius Funeral Service.

## Burglars Hit 2 Places Here

A juke box and cigarette machine at Grill Cafe, on Front street, were broken into last night, City Police reported. An undetermined amount of money is missing from the music box and only cigarettes were taken from the cigarette machine.

Officers also reported the used car lot office of Hope Auto Co. was entered during the night and several car keys were taken.

## Court Rules for Gas Firm Merger

LITTLE ROCK (AP)—The Arkansas Supreme Court ended today to a legal battle against a merger of Mid-South Gas Co. with Arkansas Louisiana Gas Co.

The high court affirmed a Pulaski Chancery Court order dismissing a suit contesting the merger filed by Wylie A. McGeehee of McGeehee, a minority stockholder in Mid-South.

The Supreme Court already had dismissed an appeal of a Pulaski Circuit Court order upholding Public Service Commission approval of the merger, which was completed last September.

Today's Supreme Court ruling said that McGeehee should have contested the PSC order in Circuit Court rather than having filed the Chancery Court action.

Justice Paul Ward dissented from the 6-1 majority opinion.

## Liquor Still Is Seized, 2 Caught

Saturday Deputy Sheriff Herbert Griffin and federal officers raided a moonshine liquor still, 10 miles south of Hope, just off Highway 29 and arrested two persons.

Officers arrested Thurman Landers and his minor son. He was taken before the Federal Court Commissioner Saturday and bond was fixed at \$500 pending trial.

Officers destroyed 200 gallons of mash and 13 gallons of moonshine liquor.

## Graduation at Blevins Is May 24

Baccalaureate service for the graduating class of Blevins High School will be held at 4 p.m. Sunday, May 20 at the Bruce Memorial Methodist Church, Blevins.

Rev. D. E. Palmer of Blevins will deliver the sermon.

Commencement exercises will be held Thursday, May 24, at 8 p.m. in the Blevins Gym. The program will be given by the senior class.

Members of the graduating class are Gary Avery, Irma Avery, Mary Nell Barham, James Coleman, Ava Nell Hicks, Tommie Phillips, Patricia Roberts, Ann Rogers, Harold Smith, Bobby Taylor, Jean White, Karen Woolfolk, Sammie White, Kenneth York and Carolyn Willis.

## Former Resident of Hope Dies

Mrs. Lucy Mullins, aged 95, a former resident of Hope, died Sunday at the home of a daughter, Mrs. E. E. Moses in Texarkana.

She is survived by another daughter, Mrs. Orvie Spain of Camden; two sons, Glen of Texarkana and Bennie Mullins of Dallas.

Funeral services will be at 4 p.m. Monday at East Funeral Home, Texarkana, by Dr. Francis Budding. Burial will be in Hillcrest Cemetery.

## U.S., Sets Off Another Atomic Test

WASHINGTON (AP) — The 11th blast of the U.S. nuclear test series in the atmosphere was set off today near Christmas Island in the Pacific.

The announcement from the Atomic Energy Commission and the Defense Department said it was another shot in the intermediate yield range, and the device was dropped from an airplane.

That has been true of all but two of the shots so far. Intermediate range covers a blast equivalent to between 20,000 and 1 million tons of TNT.

The time of the shot was given as about 11:30 a.m. EDT.

AEC Chairman Glenn T. Seaborg says indications are that the United States is getting the information it seeks in the Pacific tests.

## West Memphis Loan

WASHINGTON (AP) — The Community Facilities Administration has approved of a \$321,000 loan to West Memphis, Ark., for construction of an airport. The Federal Aviation Administration also has approved a grant of \$224,000 to the city and this amount, added to the loan, will meet the total estimated project cost, \$545,000.

By The Star Staff

Local athletics did right well over the weekend... the Hope Golf team won second in the State Class AA meet... Charles Carver scored 139 and Mickey Baber 146, just two strokes off the champion Fayetteville team... Jerry Burnett won the 100 and 220 yard dashes in the State Junior Track meet with times of 10.7 and 24.2... his 100 time was only a tenth of a second over the state record... and Henderson State Teachers College, Greenville, S.C., is batting a cool .360 for the Reddies... in last week's game which Henderson won over A&M, Gene led all hitters with a pair of doubles in the four times at bat... the Reddies are 4-4 in the conference... Centenary College announces that Harold Smith, 6-9 all state high school star from Blevins, has signed a scholarship agreement with Centenary... Smith averaged 26.9 points per game last season, his high was 42 points in one game and he averaged 24.4 per game... he lettered all four years at Blevins... named to the all-state team... two times all district and was named to the all-tournament team at Nashville... and Homer Beyerley, president of the Booster Club, has called a meet for Tuesday night at 7:30 at Jones Field House... a contractor will be present to discuss the building of a track... Hope and Smackover are the only 4AA towns without track facilities... prices and everything will be discussed... everything is urged to attend.

Edwina Whitman, daughter of Mr. and Mrs. E. J. Whitman of Hope, was chosen one of the top nine sophomore women at Louisiana Tech, Ruston... her honor was based on scholarship, leadership, character and service.

If you or anyone you know has MS (Multiple Sclerosis) in Arkansas, please send the name and address to Mr. Matt Thomas, 2023 Spring St., Little Rock... local information can be obtained by calling Mary Anita Lasler, PR 7-4502... a chapter is being started in Arkansas of the National MS Society and the many hundreds thus afflicted in Arkansas must be contacted.

Arkansas Public Health Assn. will hold its 14th annual meeting at Marion Hotel, Little Rock, May 15-16... planning to attend from Hempstead are Mrs. Inez Turner, public health nurse and Miss Mary Gilbert, health department clerk.

Police Chief Jack Brown said his investigation revealed that two teenage boys, one was thought to be poisoned on moonshine liquor, had been drinking malt beer and had merely gotten sick... he said the boys didn't drink the beer at an apartment house as first thought... one of the youths lived at the house and became violently sick outside after being let out of a car... he was rushed to a hospital where his stomach was pumped out and is okay now.

Chief Brown reported today that he has had several complaints about small children playing in the street... he urged parents to keep their youngsters out of the street before a tragic accident occurs.

## U.S. Marines May Go to Thailand in Face of Red Threat

### President of Philippines Not to Visit U. S.

MANILA (AP) — President Macapagal tonight postponed his state visit to the United States indefinitely because of the U. S. House of Representatives' rejection of a long-pending Philippine war damage bill.

Macapagal, in a nationwide radio television address, said "while reiterating my gratitude for the invitation that the American president so kindly extended to me, it is with deep regret that I am constrained to postpone the date of the visit."

The president put off the visit—scheduled for next month—"until such time as the circumstances will permit me to go on a state visit, which would be most pleasant, because it would be acceptable to our people."

Macapagal explained that "the feeling of resentment among our people and the attitude of the Congress of the United States negate the atmosphere of good will upon which my visit to the United States was predicted."

"I feel that our people would never understand how, under the circumstances at this time, I could go to the United States and dwell on the subject of good will. At this present moment, the word will sound empty."

### Local Schools to Be Out on June 1

Hope Public Schools will dismiss for the summer vacation June 1. Report cards will be given out that day between 8:30 and 9:30 a.m.

Registration for junior and senior high summer school will be held on Monday, June 4, in the high school auditorium. This year only one six weeks term is planned, in which both first and second semester subjects will be given. Work will be offered in only the basic subjects English, history, science & math.

### More Withdraw From Gas Case

LITTLE ROCK (AP)—The Arkansas Supreme Court permitted the cities of Conway and Benton to withdraw today from an appeal of an Arkansas Louisiana Gas Co. rate case.

Withdrawal of the two cities leaves El Dorado and Pine Bluff prosecuting the appeal.

The cities went to court after the Public Service Commission gave Arkla a 77-cent monthly increase in its minimum bill last year.

### Market Dips Sharply and Steadies

NEW YORK (AP)—Stock market trading activity today reached a pitch not exceeded since 1933 as prices dropped sharply in early trading and then steadied.

The high-speed quotation ticker fell 31 minutes behind transactions shortly after noon, the greatest lag since May 27, 1933, when it fell 34 minutes behind.

At noon Dow Jones' average of 30 industrials was down 7.38 at 633.25. This was more than 100 points below the record high of 734.01 set last December.

Analysts feared that nervousness might be feeding on itself, with people selling more because the market has been going down than for reasons connected directly with what is happening in the business world.

Unsettled conditions in Laos and a new report that production leveled off in April were described as outside factors contributing to market uneasiness.

Key stocks lost fractions to a dollar or more in morning trading.

### Alarmed Over U. S. Spending

LITTLE ROCK (AP) — Sen. John L. McClellan, D-Ark., told Arkansas Young Democrats here Saturday night he was alarmed over what he termed a trend toward big spending and fiscal irresponsibility in his party.

McClellan made the remark in a departure from his prepared speech. He also told the group that the literacy test bill currently before Congress, "ignores the very intent of the national Constitution."

McClellan said he thought the present administration was doing an excellent job in foreign affairs, but said, "I am not happy with the trend in its fiscal affairs."

The organization elected Gerald Keith of Camden president. He succeeds Jim Patton of Little Rock. John Hale of Conway was named vice president; Ken Repko of Hot Springs, second vice president and Bobby Castile of Jacksonville, secretary.

The Democrats issued a challenge to the Republican party to develop a full slate of candidates if they want to obtain an effective two-party system in the state.

### H. C. Martin, 60, of Willisville, Dies Saturday

Hartsfield C. Martin, 60, died Saturday at Magnolia. He was a resident of Waterloo and employed by Berry Asphalt Co. for 29 years. He was a member of the Baptist Church.

Survivors include his wife, Mrs. Ollie Waters Martin, a son, Dean Martin of Garlington, N. M., three daughters, Mrs. Billy Young of Texarkana, Mrs. Weldon Bailey of Stephens, Mrs. Clinton Wingfield of Boys Ranch, Texas; four brothers, E. D. Martin of Roseton, the Rev. R. L. Martin of Texarkana, Rev. N. L. Martin of Shreveport and S. M. Martin of Camden and a sister, Mrs. Dora Freeman of Texarkana.

Services will be held at 2 p.m. Monday at Willisville Methodist Church by the Rev. Andy Hulson and the Rev. Clyde Swift. Burial by Oakcrest Funeral Service will be in Willisville Cemetery.

## Pentagon Has Not Made a Decision Yet

By JOHN M. HIGHTOWER

WASHINGTON (AP)—Thailand has agreed to admit U.S. combat Marines from the 7th Fleet and will get further U.S. aid to shore up her anti-Communist defenses, sources said today.

Informants said Gen. Paul D. Harkins, U.S. military advisory commander in South Viet Nam, conferred with Thai authorities Sunday and was given consent for the Marine landings.

Meanwhile, though, Pentagon sources said no decision has been made on if or when the Marine battalion landing team would go into Thailand.

They said the United States still has to make an independent decision on whether to commit that force.

It was indicated that about 1,000 of the Marines would be landed, if the U.S. order was issued, and that these would be used to augment the 1,000 men of the 27th Army Infantry Regiment's battle group which is expected to move up to the Mekong River area in northeast Thailand shortly.

The sources said the U.S. troops could be expected "to take physical military action" to prevent Communist forces from penetrating Thailand, if the Thai invoke the SEATO treaty or a bilateral agreement between the United States and Thailand.

The sources said "as of now there has been no decision to put U.S. troops in Laos."

## Council Is Entertained at Banquet

Next year's Hope High School Student Council entertained the old members with a banquet last week.

The Hope Country Club was transformed into a "Little Italy" for the occasion. Italian food was served buffet style from a table covered with a dark green linen cloth. Yellow candles burned in a black wrought iron holder. Colorful vegetables completed the table decoration.

The 40 guests were seated at quartet tables on which green or yellow cloths were placed and candles burned in colored bottles.

As they served, Jan Ellis, Jane Griggs, and Jennifer Cox added atmosphere with their colorful costumes.

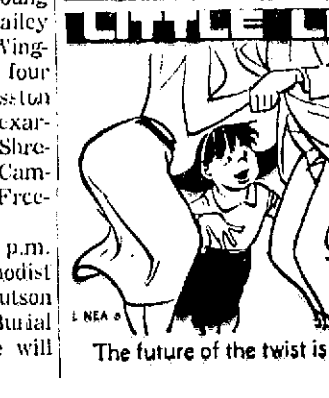

Invocation was given by Larry Lawrence. Jennifer Cox read an original poem "A Tribute to the Seniors," by Teddy Jones Jr. Bill Land, pianist, played two selections, "Malaguena" and "Funiculi, Funicula."

Joe Lingo, retiring president, thanked the old members for their cooperation this year; Vince Foster, new president, congratulated the old council and expressed hope for an equally successful year; and Principal Beatty commended the old council, especially its president and challenged the new group.

Mrs. W. A. Williams, sponsor, was presented with a golf cart, and retiring senior officers received gifts from the council.

Special guests included Principal Jack Beatty and Mrs. Beatty; Miss Jan Chambers and Carroll Axton, student teacher from Henderson State Teachers College who have been working with Mrs. Williams for nine weeks.

Mothers who assisted with the banquet were Mrs. Fred Ellis, Mrs. Lamar Cox, Mrs. Leonard Ellis, Mrs. Guy Griggs and Mrs. McDowell Turner.

The future of the twist is shaky.

## Cities to Fight

back money. But he would not discuss the amount of the increase. It would depend, he said, on the state's fiscal picture next January.

A lot also will depend, he added, on passage of Amendment 50. A similar amendment was defeated in 1960.

The cities' position, as stated in the brochure, is:

"Since the state government has taken over virtually all areas of taxation, it is absolutely essential that the cities and towns receive an equitable share of the taxes.

"The state should allocate municipalities an area of taxation or should give them 10 per cent of general revenues."

About the only tax now reserved for cities is the privilege tax on business. This is small potatoes.

Most municipal revenue comes from the property tax which it shares with schools and counties. Here again, the municipal league contends there is an inequitable division.

Cities are limited to 5 mills for general operating expenses, 5 mills of capital improvements and 5 mills for water and light plant improvements.

With those limitations, the cities' share of an estimated \$99 million in property tax collections this year will be only \$5.6 million.

Public schools, which have no millage limit, will get \$48.3 million.

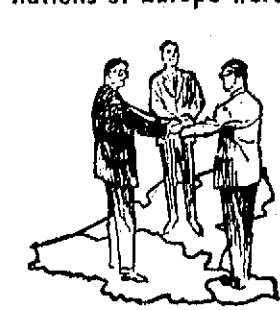

The brochure argues that half of Arkansas population lives in cities and city dwellers pay two-thirds of the taxes.

The cities also plan a concerted fight in 1963 for a larger share of highway revenues.

They want road funds divided under a travel-use formula worked out by the Highway Department. The formula shows 13.8 of travel is on city streets, 12.6 on county

## What the Common Market Means to You (2) Steps to Union

With the threat of communism before them and the failure of the old ways behind them, the free nations of Europe were slowly learning they were no longer separate, sovereign rivals.

An early attempt at economic integration was the customs union formed in 1948 between the Benelux countries — Holland, Belgium and Luxembourg.

Experience in continent-wide economic planning was gained by the 17-nation O.E.C.D., handling Marshall Plan aid. An international financial clearing house was also set up.

But an attempt to form a European Defense Community, which would have involved a common army and surrender of some national sovereignty, failed.

A more important step was the establishment in 1952 of the European Coal and Steel Community, composed of age-old enemies France and (West) Germany, along with Italy, Belgium, Holland and Luxembourg. Henceforth, these vital raw materials were not to be fought over but shared.

## Negro Cook Goes Job Hunting

HYANNIS, Mass. (AP)—David Harris, a Negro cook sent to Cape Cod by a Little Rock, Ark., citizens council, goes job hunting today.

The 43-year-old former Army mess sergeant had a morning appointment at the Massachusetts Employment Security Office.

Harris arrived Saturday as a reverse "Freedom Rider." His one-way bus ticket had been paid for by the Capital Citizens Council in Little Rock.

He spent his first nights at the home of Mr. and Mrs. Joseph Monteiro Sr. Monteiro is a local barber. The family offered Harris lodging until he could obtain permanent quarters.

John Joakim, owner of the Mayflower Restaurant in this summer colony town, offered the new arrival a job as a cook but Harris declined with regrets. "Thank you very much," he told Joakim, "but the folks here

have fixed me up with some appointments for job interviews and I will have to keep them. I may take you up on your offer afterward."

Harris said he specializes in barbecue sauces but declined to tell newsmen his recipe. "That's one of my little pet secrets," he explained.

A veteran of World War II and Korea, Harris said he thought Hyannis a beautiful town and reported "the people have been wonderful."

He was met Saturday by some 100 persons including President Kennedy's youngest brother, Edward M. (Ted) Kennedy, and a delegation from the Cape Cod branch of the National Association for the Advancement of Colored People.

Kennedy is a candidate for the democratic nomination to the U.S. Senate.

The President, his father, Joseph P. Kennedy, and his brothers Edward and Robert, have summer homes at nearby Hyannis Port.

In Boston reinforced police units have been called out to prevent new outbreaks of racial violence in a Boston housing project.

A half-dozen fights between white and Negro youths resulted from a "growing atmosphere of racial tension," said Police Sgt. Mark E. Hadden.

## Homeowners Insurance Rates Cut

LITTLE ROCK (AP)—A reduction in extended coverage insurance rates for homeowners was announced Saturday by Insurance Commissioner Harvey Combs.

Combs said the reduction would be for insurance issued by firms affiliated with the Arkansas Inspection and Rating area. Extended coverage (windstorm, hail, etc. insurance on homes will be reduced from \$2.80 to \$2.50 per \$1,000, he said, and coverage on contents of homes will be dropped from \$3.10 to \$2.00 per \$1,000.

The new rate was partly made possible by a mandatory \$50 deductible provision approved in 1958 by the commission, Combs said. Combs said the provision eliminated small claims where adjustment and handling costs often exceeded the benefit.

The reduction is based on a five-year experience formula, he said. Insurance companies had an average annual income on extended coverage of \$5,724,702 and an outlay of \$5,476,946 during the past five years, he said, for an average operating gain of 4.3 per cent.

He said insurance companies probably deserved an increase in fire rates if they asked for it, since during the past five years their annual income was \$14,670,143 and their expenses and losses were \$15,263,009.

The commission approved an increase in rates on fire insurance on low value, unprotected dwellings, such as tenant houses. Reductions on farm dwellings, cotton gins and other farm buildings were put into effect, he said.

Combs said the new extended coverage rates will become effective on the anniversary date of policies.

In Talladega, Ala., appeals have been withdrawn and fines paid for 18 students and a Talladega College professor after their conviction of trespassing in sit-in demonstrations.

Their fines were paid by Dr. Arthur D. Gray, president of the predominantly Negro school.

Americans are estimated to spend more than \$11 billion annually on food and drink outside the home.

## Man Is Beaten, Robbed of \$100

BENTONVILLE, Ark. (AP) — Clarence Beaver, a service station operator, remained in satisfactory condition in a Kansas City hospital Sunday night after being beaten by assailants who robbed him of \$100 north of here earlier in the day.

Beaver, about 40, was brought to a Bentonville hospital after being found by two youths, lying on the floor of the station, just south of the Arkansas-Missouri line on state Highway 7.

After emergency treatment for a fractured skull and broken hand, Beaver was transferred to a Kansas City hospital.

Sheriff Hugh Black said Beaver reported being struck from behind with a soda pop bottle but he remembered nothing more of the attack.

Black described the beating as brutal, saying Beaver was struck several times on the head and his wrist snapped by another blow.

A four-state alarm was issued for the assailants.

## Beck Conviction Upheld by Court

WASHINGTON (AP)—The Supreme Court upheld today the embezzlement conviction of Dave Beck, former Teamsters Union president who was sentenced to 15 years in prison.

The court's vote was 4-3. Justice Clark delivered the majority opinion.

Justice Black wrote a dissenting opinion in which Chief Justice Warren joined, and Justice

## Today's Highlight in History

BEE THE ASSOCIATED PRESS

Today's highlight in history:

On this day in 1804, Capt. Merriweather Lewis and Capt. William Clark started their expedition from the waters of the Missouri River, bound for the Pacific Ocean. The two Army Engineers and their small band were after real knowledge of what the United States had bought in the Louisiana Purchase. They returned with news of the west that did much to accelerate the colonization of the territory.

On this date  
In 1787, colonial delegates met in Philadelphia to draft a constitution for the United States.

In 1861, Union Gen. George McClellan became commander of the Department of the Ohio in the Civil War.

In 1940, Nazi bombers poured death and destruction on Rotterdam and the armies of the Netherlands prepared to capitulate.

In 1942, President Roosevelt signed the bill creating the Women's Army Auxiliary Corps.

Ten years ago... the Chinese Red radio accused U.N. planes of dropping poison gas shells on North Korea and China.

Five years ago... the United States ordered a resumption of military aid to Communist Yugoslavia.

One year ago... freedom riders clashed with white segregationists in Anniston, Alabama.

## \$131,925 Is Total for Stock Sale

WINROCK FARM, Ark. (AP)—Santa Gertrudis cattle sold for an average of \$3,395 a head here Saturday, netting Winthrop Rockefeller \$131,925 for 40 animals.

The sale brought considerably less than the \$229,000 netted last year, but compared favorably with other Santa Gertrudis sales this year and left Rockefeller a prime challenger to King Ranch of Texas in developing the prized breed.

King originated the breed in 1918 by crossing the Brahman and the longhorn and until 1952 had obtained the record high price for a bull, \$40,000.

Rockefeller started his herd nine years ago with a bull and 26 heifers purchased from King and last year sold one of his bulls for \$59,000.

Saturday, the top bull brought \$17,500 from L. A. Norden of the 7-11 Ranch, San Antonio, Tex. The top heifer was sold to R. K. Keene of Orlando, Fla. for \$8,250.

Rockefeller appeared pleased with the results of the sale, even though prices were down. "This was still a high sale for Santa Gertrudis this year," he said.

Rockefeller, a farmer, businessman, industrialist and politician, said he thought a conservative trend was setting in, not only in cattle, but in the entire field of economics.

Rockefeller got \$66,075 for the 20 bulls offered and \$65,750 for the 20 heifers. Heifers sold at a little higher-than-usual average of \$3,285.

Average price for the bulls was \$3,300—75—not far below the King Ranch average of \$3,400.

Some 2,500 guests came to the invitation-only affair. They were served barbecue in a 90 by 110 foot tent before auctioneer Col. Walter Britton of College Station, Tex. called for the first bull to be brought in.

**Public Health Group to Meet**  
LITTLE ROCK (AP)—The 14th annual meeting of the Arkansas Public Health Association will be held here Tuesday and Wednesday.

Asst. Surgeon General Aaron W. Christensen of Washington will speak on public health legislation during the first session Tuesday morning. About 700 persons are expected.

The second Dr. Tom T. Ross award, the highest given to an individual by the APHA, will be made Wednesday morning. Marvin L. Wood, director of the Division of Water Pollution Control of the state Health Department, received the first award last year.

The organization, originally known as the Women's Emergency Committee To Keep Schools Open, has traditionally opposed Gov. Orval E. Faubus.

Kenneth Coffelt, another gubernatorial candidate, said Sunday the committee's action was like putting sod on McMath's political grave.

The Little Rock attorney added, "He might as well have had Daisy Bates endorse him." Mrs. Bates is a leader in the Arkansas branch of the National Association for the Advancement of Colored People.

## Entry in Princess Contest

MISS MARTHA GENE GARRETT, 18, DAUGHTER OF Mr. and Mrs. J. D. Garrett, Jr., of Lewisville has entered the Poultry Princess contest slated here May 25. She is five feet, eight inches tall, weighs 125 pounds and measures 34-23-37. Her hobbies are swimming, water skiing, bowling and sewing.

GETTING READY FOR MEXICO—Pretty Arkansas Forest Queen Donna Axum studies travel folders in readiness for her trip to Mexico, May 18. Queen Donna, who received the trip as one of the prizes in the Forest Queen contest, will spend two weeks touring our neighboring republic. She will be accompanied by F. H. "Ranger Jim" and Mrs. Martin of the Arkansas Forestry Commission. Each year, the Arkansas Forest Queen receives a trip outside the continental United States.

## To Headline State Show

SINGING STAR MISS PATTI PAGE WILL BE THE featured attraction for the Third Annual Arkansas Poultry Festival to be held in Little Rock June 8-9. Miss Page will perform during the \$50 a plate banquet to be held in Robinson Auditorium June 9 along with Johnny Long and his orchestra. The Southwest Arkansas District Festival will be held here in Hope on Friday, May 25.

## Thousands Cheer Royal Wedding

By PHIL DOPOULOS

ATHENS, Greece (AP)—Prince Juan Carlos of Spain and Princess Sophie of Greece were married today in two religious ceremonies as tens of thousands of Greeks cheered.

The dashing prince, groomed by Generalissimo Francisco Franco to occupy the long vacant Spanish throne, first married the

daughter of Greece's rulers in his own faith at the Roman Catholic Cathedral of St. Denis. They rode together through the streets to the royal palace, smiling and waving to the cheering throngs. Then they separated and were driven to the Greek Orthodox Cathedral for the Orthodox ceremony required by Greek law and approval of the Roman-Orthodox union after the princess pledged to bring up her children in her husband's faith.

Church bells rang, artillery guns roared out a salute and a gathering of 120 royal guests looked on

## Bodies of 6 Recovered From Ocean

NEWPORT BEACH, Calif. (AP)—The bodies of six men, all but one mangled by sharks, were recovered from the wind-whipped ocean near here Sunday. Three others still were missing.

The Coast Guard called it the worst sea tragedy in Southern California since 1952 when eight persons disappeared.

Searchers also recovered a bait tank and other debris from the 25-foot cabin cruiser on which the nine embarked on a fishing expedition early Saturday.

The craft, known as both the Happy Jack and the Cindy, apparently became swamped in choppy seas and sank Saturday, the Coast Guard reported. Winds were gusting up to 30 miles per hour.

Sharks still thrashed about the bodies when they were discovered by the fishing boat Maricle.

"There were so many sharks the men had to lower steel stretchers in the water to fish out the bodies," said Deputy Coroner Eugene Miller.

"The sharks kept after the bodies and several even jumped into the stretchers at the victims as they were being pulled aboard," Miller added.

The boat was on its first sea voyage under its owner, Chester McMain, 45, of Norwalk.

Miller said autopsies indicated all six men apparently drowned. Shark bites could have been an equal cause of death of five of the men, he said.

The Coast Guard posted small craft warnings Saturday, advising of rough seas, winds of 20 miles per hour and gusts to 30 mph, with an excessive surface chop due to steady blowing.

"A boat that size would bounce around like a cork" in such a choppy sea, an official said.

McMain's body was among those recovered.

Others recovered were: Charles Chudy, 52, of Westminster; Harvey L. Johnston, 30, Los Angeles; Robert Herman Schmidt, 25, formerly of Stillwater, Okla., employed by a Los Angeles car loading firm; William F. Huffman, 29, Los Angeles, and John Treadway, 39, Bell Gardens.

Still missing were: E. R. Huffman, brother of one of those found dead; Richard Cain, 28, of Bell Gardens and Robert Gibson, 21, of Norwalk, McMain's son-in-law.

**Special Election**  
EUREKA SPRINGS, Ark. (AP)—A special election has been called by the Eureka Springs Board of Commissioners for June 19 on a proposed \$140,000 bond issue to finance construction of a water distribution system and to retire outstanding auditorium bonds. The issue would carry a four-mill tax increase.

with excitement as the prince, 24, and the princess, 23, took their vows.

It was the most brilliant wedding Athens has seen since Sophie's parents—King Paul and Queen Frederika—were married in 1938.

Princess Sophie arrived at the church right on time. She was escorted by eight bridesmaids, their eight escorts and four witnesses for the ceremony—all princes or descendants of royal houses.

The cathedral, decorated and perfumed by thousands of red and yellow roses and carnations, was packed with royalty that included Queen Juliana of The Netherlands, King Olaf of Norway, Queen Ingrid of Denmark, Prince Rainier and Princess Grace of Monaco and younger prince and princesses by the dozen.

Juan Carlos arrived at the church first with his mother, the countess of Barcelona.

The youthful prince's father, the Spanish pretender Don Juan de Bourbon, rode with Sophie's mother, Queen Frederika.

Wife Turns Tigress: Tracks Down Husband and Other Woman

By HELEN WORDEN ERSKINE

Dear Helen: I've done it! I clawed and scratched the other woman. I'm the mousey type; tiny, timid-voiced and more like a school girl than a 32-year-old mother of three children. My husband is overweight, 35, and looks it. The other woman is a faded, dumpty blonde of 42. Her husband, like mine, travels for a firm.

We all belong to the same country club, have much the same interests and go out together whenever our two men are in town.

Last month my husband got home first but I didn't see much of him because he was catching up on work at the office. The children and I would eat alone, they'd help me with the dishes, I'd help them with their homework then we'd go to bed.

This got boring so, for a change of pace, I went to see the blonde. Just as I reached her house I saw a man unlocking the front door. When he opened it, the hall light fell full on his face. It was my husband. I went home and said nothing, but in the days following, made it my business to check his every move.

When confronted he denied everything then, as the facts piled up, confessed—all the while insisting he loved only me.

As you often advise, we talked things over and he promised to break with this blonde. I wanted to believe him but, after 13 years of marriage a wife learns to read her husband like a book and mine was being unnaturally good to me and the children.

Yesterday morning he left at 7 a. m. to keep a 9 o'clock business date in the next town. Once he had gone I hurried to the blonde's house. Sure enough, there he was! That's when I lost control and clawed and scratched her face. My husband was furious. As he dragged me away I shouted to her, "He won't marry you, even if you two were free. He loves me." When she asked him if this were true he didn't answer.

Last evening, he drifted back as if nothing had happened. I started crying. He tried to put his arms around me but I shoved him away.

"I still love you," he insisted. "But, after 13 years of marriage, a man needs fresh stimulation—other worlds to conquer. You're confusing sex with love. I won't share him with other women, it's all or nothing for me. Am I wrong?"—Muddled Wife

Dear Muddled: True fidelity is only possible when husband and wife are completely in accord, physically and mentally. Obviously you two are not.

While your hysteria is understandable, to have clawed and scratched the blonde is to behave like a child. Marriage is an adult relationship made up of everyday, affectionate little attentions, rather than melodramatic scenes in which one declares undying love for the other. It is the most important job of a woman's life and, to make it a success, she must work hard at it. Relations either regress or advance. Nothing stands still. Perhaps the other woman is a better listener. Maybe she makes him think he's wonderful. All these things count if you want to make a go of marriage. Take a tip from Mrs. Richard Burton who, when asked what she thought of Elizabeth Taylor, smiled sweetly and said, "I adore her, she's one of my dearest friends!"

Dear Helen: I am sick unto death. My girl friend no longer loves me. She is 18, I am 22.

We have been going together two years and planned to marry. Since she turned me down, I've gone back on the bottle but even that can't deaden the pain in my heart. I feel in the mood to end it all. Can you help me?—Mixed Up

Dear Mixed: Trouble comes to us all. If you face yours like a man, not a cry-baby, your girl may see her mistake and take you back. An experience such as yours builds character if accepted in the right spirit. Nobody has a bed of roses—without thorns. Trying to drown your sorrow in drink is plain silly. Keep busy. Go places, do things. Meet new people. Make the most of the life God gave you.

Dear Helen: My daughter-in-law is jealous of her children's affection for me. The only time I see the five darlings is when I go to their home armed with cookies and fruit.

Every time I do, I come home and cry. Their mother is so mean to me. Yet, I've done everything possible to be friendly: baby-sat, brought presents, cooked, cleaned and goodness knows what else.

Once I asked her why she acted so. "It's my way," she said curtly. "I'll never change." This has gone on for 10 long years. I've never told my son. Advise me, if you can, what to do.—Grandma

Dear Grandma: See your daughter-in-law as a person, not an in-law. Drop the clan idea. Lavish your affection on others. Be a mother and grandmother to the neighbors and their children. Bake them cookies. Take them presents. Once your daughter-in-law realizes that you are no longer dependent upon her whims for your happiness, she'll come knocking at your door with all five children. When she does, keep your sense of proportion. Duty to family is all very well—up to a point. To let a daughter-in-law ruin your life is sheer nonsense.

Send your problem to Helen Worden Erskine care of this newspaper. Be sure to enclose a stamped, self-addressed envelope. Helpful leaflets available. Write for "Mothers-in-Law."

## Reds Make It 4 in Row Over Dipping Braves

By JIM HACKLEMAN

"Anything Willie Mays can do Vada Pinson can do as well." That's Cincinnati Manager Fred Hutchinson on the subject of two dazzling National League center fielders, his own Pinson and wonder-willie of the San Francisco Giants.

Vada had another productive afternoon Sunday with his 11th homer and a triple as the Reds won their fourth in a row, beating Pittsburgh's faltering Pirates 6-4. Cincinnati's muckster Bob Purkey became a six game winner with able relief help.

Meanwhile, even with Mays continuing his slump with an 0-for-5 performance, the Giants had little trouble romping over Houston 7-2 and holding onto their four game lead.

Elsewhere in the NL, Los Angeles leap-frogged over St. Louis into second place, edging the Cardinals 4-3; Chicago eased out of the cellar in a doubleheader sweep over Philadelphia, 8-7 and 8-5 with reliever Barney Schultz winning both games; and Milwaukee dumped New York into last, trimming the Mets 3-2.

Pinson took over the major league leadership in home runs when he socked No. 11 against loser Bob Fien (4-3) in the first inning. Then after a three run homer by Jim Marshall helped push the Pirates in from 4-1 in the third, Vada tripled in one run in the bottom of the inning and rode in on Frank Robinson's homer.

Cincinnati regained the lead in the sixth when Leo Cardenas singled to Gordie Coleman and added another run in the eighth on two errors by Dick Groat, a sacrifice and a pinch single by Joe Galvez.

Orland Cepeda, Jim Davenport, and Jose Pagan gave tight support Jack Sanford's prime sander in the Giants runaway over Houston. Cepeda and Davenport rapped 3 hits each, while Pagan homered in the decisive fourth run sixth inning and also had a single. Sanford (4-2) went the distance, allowing six hits, and was one out away from shutting out the Colts when Roman Mejias' double and Norm Larker's single chased in the Houston runs.

The lost went to winless Ken Johnson, now 0-5.

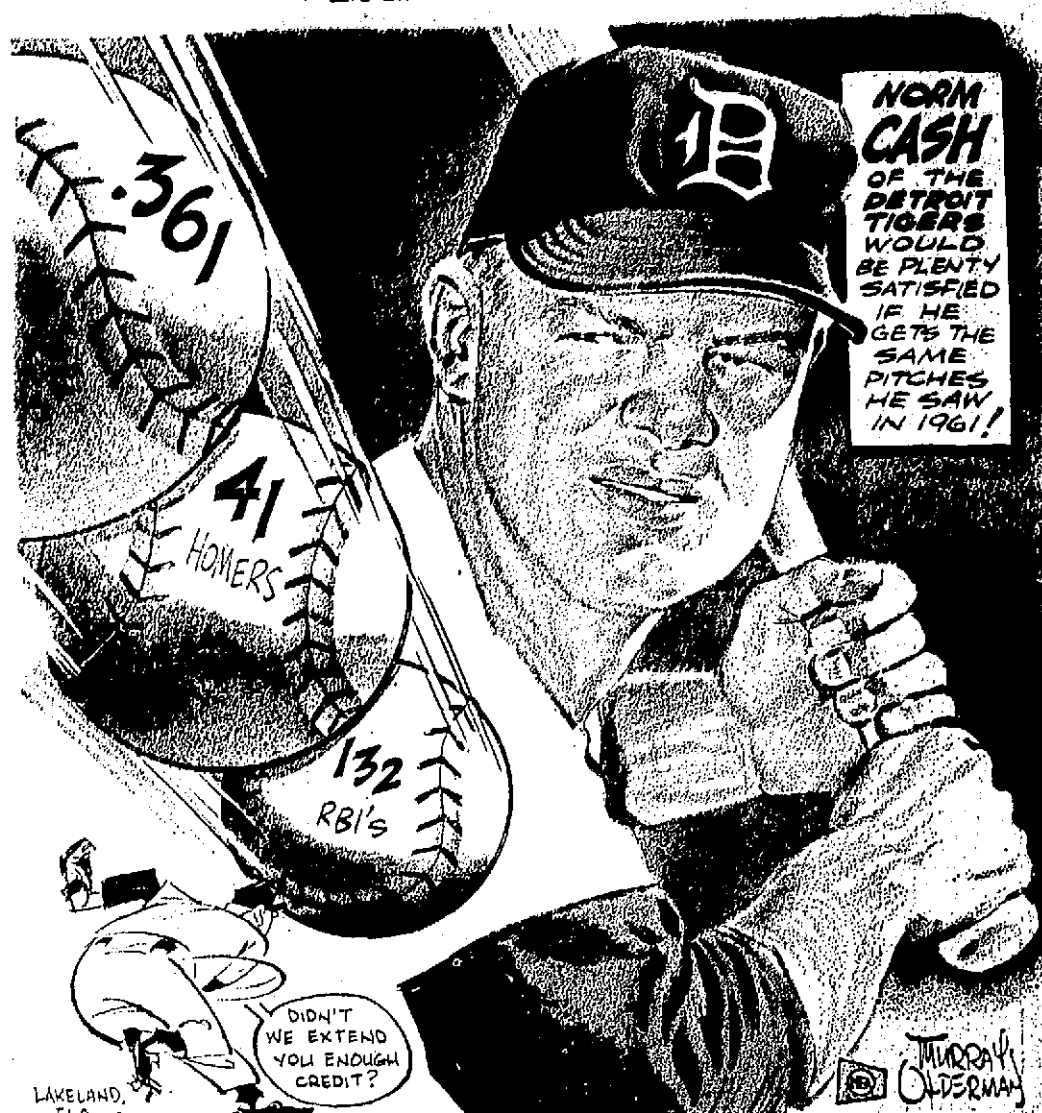

The Dodgers regained second by cashing in all four of their runs in the eighth, aided by Ken Boyer's throwing error. Held hitless by Larry Jackson (3-4) for five innings and behind 2-0 after seven the Dodgers drew even on Larry Burright's double, a walk and Boyer's had throw on a sacrifice attempt.

Tommy Davis singled across the go-ahead run and John Roseboro fly brought in the clincher. The Cards kicked up for one run in the ninth, when the Dodgers used three pitchers to stem the rally. Los Angeles starter Johnny Podres (3-2) was the winner.

Schultz (3-1) a workhorse who's now pitched in eight straight Cub games, went a total of 4 1/2 innings for his twin victories. The Cubs amassed 23 hits all told, 13 of them extra basers, including two homers by George Altman and one each by Ernie Banks and Billy Williams. Lou Brock and Ken Hubbs. The Phils weren't far behind with 22 hits, getting homers from Billy Klaus, Ted Savage and Tony Taylor. Jack Baldschun (1-3) and Chris Short (1-2) were the losing pitchers in the see-saw doubleheaders.

Frank Bolling's two run homer in the fifth powered the Braves over the Mets as Cecil Butler (2-0) threw a six hitter in his first big league start. Roy McMillan also homered against Jay Hook (2-2).

## EYEING THE PAST

## Indians Down Yanks Twice, Go Into Lead

By JOE REICHLER

A year ago about this time Cleveland right hander Dick Donovan had a pitching percentage of zero (0-5) for Washington. Cleveland second baseman Jerry Kindall was batting zero for five in 7 games for the Chicago Cubs and the Cleveland team had a zero winning percentage against New York (0-2).

Today, Donovan leads all pitchers in the American League with a 6-0 record. Kindall is batting .277 but .364 in seven games against the Yankees and the Indians have beaten the world champions five of seven.

These statistics more than anything else explain why the Indians are in first place, a half game in front of the Yankees who they whipped in both ends of a Sunday doubleheader 6-4 and 8-5.

With only a little more than a month of the season gone, the Indians, under freshman manager Mel McGaha, already have beaten the Yanks more times than they did all last year under manager Jimmy Dykes. In 1961 when the Indians finished fifth, 30 1/2 games behind the Yankees, they won only 4 of 18 from New York.

Minnesota, vying with Cleveland for the No. 1 surprise in the American League, clung to third place, only 1 1/2 games off the pace, crushing Kansas City 10-3. Chicago's fourth place White Sox outslugged Los Angeles 15-6, Baltimore nipped Washington 3-2 and Detroit edged Boston 6-5.

San Francisco widened its National League lead to four games walloping Houston 7-2 as the Los Angeles Dodgers regained second place from St. Louis with a 4-3 decision over the Cardinals. Cincinnati came from behind to defeat Pittsburgh 6-4, and the Chicago Cubs downed Philadelphia twice 8-7 and 8-5.

The Indians pounded Whitey Ford and four more New York pitchers for two dozen hits, including four home runs. Catcher Johnny Romano had a three run homer in the first inning of the first game contributing largely to Ford's second defeat of the season.

Kindall also had a three run homer. His came in the fourth inning of the second game, off rookie Jim Bouton.

Cleveland added one more run in the fifth and three in the sixth to go ahead 7-5. Rookie outfielder Ty Cline's single tied score and Chuck Essegian followed with a two run single off loser Roland Sheldon.

Donovan's sixth straight victory came in the opener by way of a five hitter. Barry Latman, in relief was credited with the second game triumph.

Veteran Vic Power's and rookies Bernie Allen and Joe Bonkowski teamed up to bring Minnesota to 11th victory in the last 15 starts. Power drove in five runs with a grand slam homer and a single. Allen boosted his average .29 points to .260 with four hits, including two doubles and his fifth home run. The right handed Bonkowski, in his first major league start, went the distance for his third victory in four decisions.

The White Sox sent 12 men to bat in the eighth inning, scored seven runs and broke a 5-5 tie with the Angels. Mike Hersher had two singles in the big inning and Floyd Robinson drove in two runs with a fielder's choice.

Dick Brown and Dick McAuliffe got all Detroit hits and drove in all the team's runs in 6 in the Tigers' one-run victory over Boston. Brown had two home runs and a single and drove in three runs. McAuliffe also batted in three runs, with a triple after loser Galen Cisco had filled the bases with walks.

A disputed ninth inning home run by Earl Robinson snapped a 2-2 tie and brought victory to Baltimore over Washington. The ball nudged the left field foul line and was ruled fair by third base umpire John Flaherty over the objections of the Washington team.

### Arkansas AA Meet Won by Benton

LITTLE ROCK (AP)—Favored Benton, with 52 points, swept a field of 16 teams in the state Class AA track meet here Saturday.

Five state or Class AA records were topped in the meet.

Larry Hamilton of Helena topped the state pole vault record with a 13-foot, 5 1/2 inch pole vault effort. He became the fifth Arkansas schoolboy to clear the 13-foot mark.

The previous state record was set only Friday by Darrell Ward of Little Rock Central, who cleared 12 feet even. The AA record of 12 feet, 6 inches was set last year by Corky Corkern of Crossett.

Crossett finished second in the meet, with 20 points, followed by Helena, 19; Camden, 17 1/2; Conway, 10; Russellville and Smackover, 7 each; Forrest City, Fayetteville and Jonesboro, 6 each; Harrison, 5; West Memphis, 3; Camden Fairview, 2; Wynne, 1 1/2; and Paragould and Jacksonville, 1/2 each.

Winners in each event were: Shot Putt: Tommy Sain, Jonesboro, 52-7/8; AA record. (Previous record 51-1/2 set by Hubert McLaughlin, Stuttgart, 1960).

Broad Jump: Robert Stone, Crossett, 22-2 1/4.

Discus: Bob Nix, Benton, 148-3.

100 yard dash: Larry Creech, Camden, 10-flat.

220-yard dash: Robert Homan, Benton, 22.8 (curve).

440-yard dash: David Pittman, Bejton, 53.

880-yard run: Bige Wray, Harrison, 1:59.7, state and AA record. (Previous record 2:00.1, set by Young, Little Rock Central, 1950).

1 mile run (tie) Larry Taylor, Russellville and Lewis Minor.

In the 120 yard high hurdles for Oregon's fourth victory in four attempts.

Biggest disappointment to the nearly 15,000 fans came in the pole vault. John Uelses and Dave Tork, in their first meeting as 16-footers, wound up in a five-way tie for first at 15-2 1/2.

### Ward Again to Try for Speedway

INDIANAPOLIS (AP)—Former winner Roger Ward will start his 12th straight, 500-mile auto race May 30 in the front row, flanked by the hottest young drivers the Indianapolis Motor Speedway has seen in many years.

Ward, who has been no worse than third in the last three Memorial Day classics, will be sandwiched between Parnelli Jones, first river to break the one-minute barrier at the 2 1/2-mile track, and smooth Bobby Marshman.

The 28-year-old Jones, defending champion of the USAC spring car circuit, led twice in his first Indianapolis appearance last year but fell back to 12th after his magneto went sour and he caught a flying bolt over one eye. Marshman started dead-last, 33rd, and finished seventh.

Jones, from Torrance, Calif., and the 25-year-old Marshman, of Pottstown, Pa., were sensational in the 10-mile qualifying runs which will continue next weekend.

Jones upped the record to 150.37 miles an hour with a record single lap at 150.729. Marshman's 149.349 average was third-best, behind Ward's 149.371.

A. J. Foyt Jr. of Houston, Tex., last year's winner and USAC national big car champion the last two seasons, will start directly behind Ward in the middle of the second row with a 149.074 qualifying mark.

Twenty-one cars have qualified, leaving 12 starting spots to be filled next weekend. All are powered by conventional Offenhauser racing engines except a rear-engine Thompson Special qualified at the good speed of 147.886 by Dan Gurney of Costa Mesa, Calif., a veteran of European road races.

In his first appearance at the Speedway, Gurney put a stock-car type into the lineup for the first time since Harry Miller built a series of souped-up Fords in the 1930s.

### Oregon 10th But Has the Meet Stars

FRESNO, Calif. (AP)—Don't let Oregon's tenth place finish in West Coast Relays team scoring fool you.

Six men from that university dominated the meet. The Webfoots today need only victory in the NCAA championship to complete their rise to the pinnacle of collegiate track.

"The NCAA is our main objective—that's the one everyone is pointing for," says KKeith Porman, a slender junior whose 4:03.0 and 4:00.7 miles typified the Oregon effort.

Oregon opened the meet Saturday by smothering the world four-mile relay record held for several years by foreign national teams.

Porman's 4:03 and Dyrrol Burleson's 3:57.9 followed 4:04 miles by Archie San Romani Jr. and Vio Reeve.

They totaled 1608.9 and nearly left New Zealand's old mark of 16:23.8 out of sight. Burleson's last leg won him the meet's outstanding collegian trophy.

Porman returned seven hours later and won the open mile in a shade over four minutes.

Sprinter Harry Jerome, aided by a 9.9 miles per hour wind, won the 100 yard dash in :09.3 and said the race wasn't even hard.

Jerry Tarr breezed to a :13.7 win tie for first at 15-2 1/2.

Biggest disappointment to the nearly 15,000 fans came in the pole vault. John Uelses and Dave Tork, in their first meeting as 16-footers, wound up in a five-way tie for first at 15-2 1/2.

### Searcy Wins Class A Track Meet

SEARCY, Ark. (AP)—Eddie Pruitt garnered nearly half of his team's 28 points to lead Searcy to victory in the state Class A track meet here Saturday.

Pruitt, high point man in the meet with 12 1/2 points, won the 440-yard dash and the broad jump and ran on the winning 880-yard and mile relay teams.

Searcy far outscored second place Brinkley, with 17 1/2 points. Berryville was third with 13; followed by McGehee, Mountain Home and Nashville, 10; Fordyce, 8 1/2; Eudora, 7; De Witt and Star City, 6 1/2; Marianna and Harrisonburg, 5; Siloam Springs, Clarksville and Lakoside, 4; Paris, 3 1/2; McCrory, Monticello and Bauxite, 3; Dermott, Lonoke and White Hall, 2; Dumas, 1 1/2; Judsonia and Arkadelphia, 1 and Truman 1/2.

Walnut Ridge won the junior division with 26 points—all scored by Gary Guthrie.

Guthrie set a new broad jump record with an effort of 19 feet, 9 1/2 inches. Previous best time was 19-5 1/2, set by Corning in 1953.

He ran the 220-yard dash in 23.0, bettering the 24:1 time set by Marianna in 1951.

He also turned in top times in the 120-yard low hurdles and 100-yard dash and finished second in the discus and the 440-yard dash.

Winners in each event were: High jump: Gerald Spencer, Harrisonburg, 6-1, record. (Previous record 5-11 1/2, set by King, Siloam Springs, 1959).

Broad Jump: Eddie Pruitt, Louan, 1933).

### Piersall Was Impressed, Depressed

BALTIMORE (AP)—Jim Piersall was depressed... and impressed.

The fiery Washington outfielder was depressed because a ball hit by Baltimore's Earl Robinson in the ninth inning of Sunday's game was ruled fair, giving the Orioles a 3-2 victory.

He was impressed by the luck of the Orioles on the one-in-a-million shot, which third base umpire John Flaherty said dropped into a small triangular space between the left field bleacher wall and a fence which cuts diagonally across the foul line.

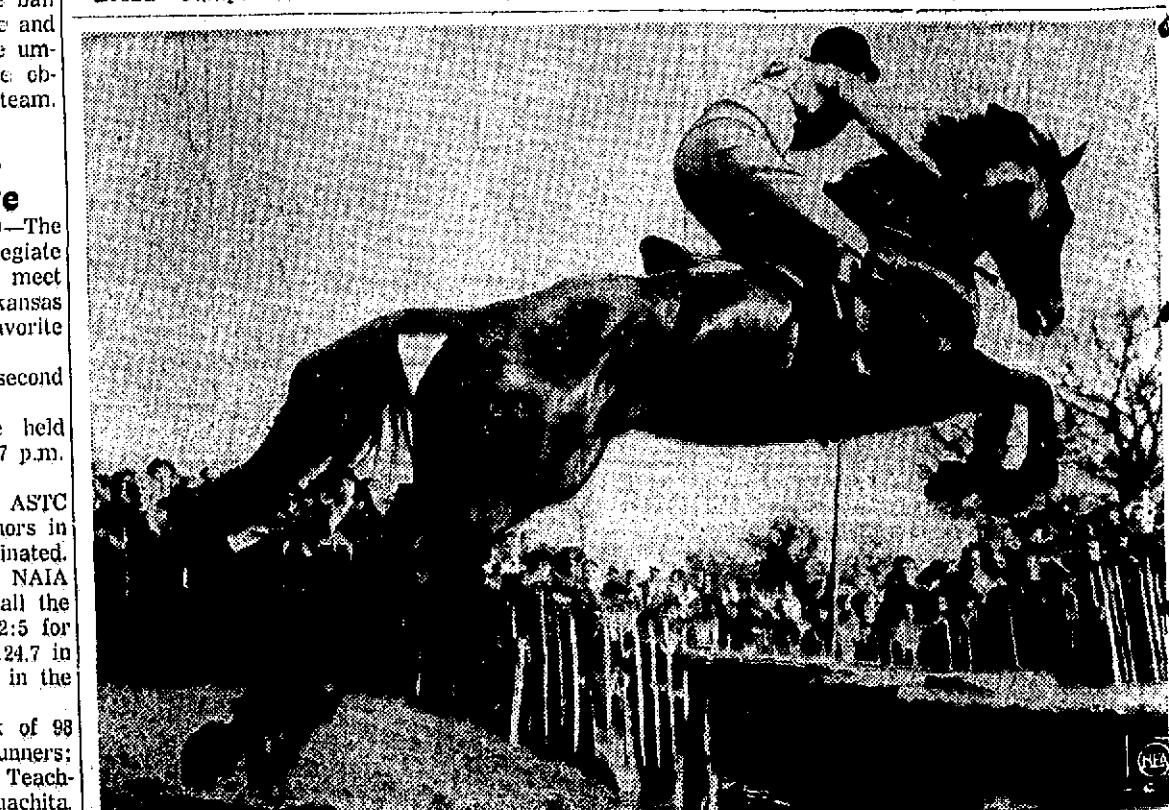

"I'd bet money on the Orioles to win the pennant," Piersall said today. "After that, they can't lose."

Piersall, playing center field, played umpire with his ears—contending the ball was foul because "I heard it hit wood."

The diagonal fence is wood. But a ball dropping into the corner would have to rebound off wood, even if fair. Left fielder Jim King, using the visual method, contended the ball was foul by about six inches.

Piersall led the argument, climbed a fence in left field to peer down into the area where the ball fell, and had to be restrained by teammates as he disputed the ruling.

The towering fly ball failed to roach the bleachers at the 309-foot foul line marker. But there was a mark on the wall—about four inches fair and below the top of the fence—which could have been made by a baseball.

### When to Fish or Hunt Solunar Tables

By John Alden Knight

The schedule of Solunar period as printed below, has been taken from John Alden Knight's Solunar Tables. Plan your days so that you will be fishing in good territory or hunting in good cover during these times, if you wish to find the best sport that each day has to offer.

The Major periods are shown in bold face type. These begin at the time shown and last for an hour and a half or two hours thereafter. The minor periods, shown in regular type, are of somewhat shorter duration.
